

17:32:30 From Reeshemah Davis (she/her/hers) : Thank you for joining the Ridgewood YTALK. We will be recording this session.

17:49:38 From Reeshemah Davis (she/her/hers) : Welcome to the Ridgewood YTALK. If you are just joining us, please note that we are recording this session. Thank you!

18:04:15 From Reeshemah Davis (she/her/hers) : Welcome to the Ridgewood YTALK. If you are just joining us, please note that we are recording this session. Thank you!

18:09:09 From Shaghayegh DeNoble : There are many myths in medicine about people of color that have to be directly untaught

18:14:08 From Peter Rosario : absolutely Heather!!! Trust is a huge factor. As opposed to other racist systems; people can choose to opt out of health care.

18:15:10 From Peter Rosario : Access will not impact the statistics!!! powerful!

18:18:23 From Shaghayegh DeNoble : The politicization of public health, mixed in with white supremacy, may be the root cause of distrust in the COVID vaccine specifically

18:23:37 From Peter Rosario : When we look back at HIV/AIDS pandemic, it was not until Magic Johnson contracted HIV and received therapeutics that many BIPOC trusted AZT and other therapeutics.

18:26:05 From Keisha Sitney : Heather - it is ridiculous as you said and it adds to the systems that keep communities of color in poverty or at least prevent us from achieving wealth

18:30:06 From Keisha Sitney : #truth - presenteeism

18:31:04 From Shaghayegh DeNoble : In this country the employers (especially large employers) have the best opportunity (and most to gain) by promoting "health" upstream, and thereby decreasing need for "healthcare" downstream.

18:31:38 From Heather Wilson : This absolutely correct!

18:31:50 From Peter Rosario : so true Michael

18:31:53 From Shaghayegh DeNoble : Thank you everyone for this important seminar. Unfortunately we have another meeting now - COVID advisory committee.

18:33:23 From Heather Wilson : Community based organizations need to work in the midstream of the healthy stream framework. That is where we can be most effective

18:35:11 From Heather Wilson : we have to acknowledge the digital divide!

19:04:33 From Samuel Frisby : What more can be done to support and protect safety net hospitals?

19:10:01 From Keisha Sitney : preach!!

19:27:08 From Diana Zita : Amazing conversation, extremely informative and impactful. Ernie, thank you for inviting me.

19:29:23 From Keisha Sitney : Wonderful conversation! Our work continues!

19:29:33 From Chad (He,Him) Aspiring AntiRacist : Thank you everyone.. this was beyond powerful!

19:30:12 From Reeshemah Davis (she/her/hers) : Thank you everyone for attending! This YTALK conversation was amazing!

19:30:23 From michaelcritelli : I was honored and privileged to be invited to participate with this wonderful group.

19:30:55 From Alyssa Becker : thank you for the informative talk. I am inspired to take action.
